Hawaii Community College

- Hawaii Community College MA82X Textbook

- Front Matter
- 1: Real Numbers and Their Operations
- 2: Solving Linear Equations and Inequalities
- 3: Math Models
- 4: Graphing Lines
- 5: Systems of Linear Equations
- 6: Polynomial Functions
- 7: Factoring and Solving by Factoring
- 8: Rational Expressions and Equations
- 9: Roots and Radicals
- 10: Solving Quadratic Equations and Graphing Parabolas
- Back Matter
